No it was from Brandi Todd's update...Scott thought it should be taken out since there isn't an exact number...Brandi's email pasted below...

#### R6 DIVE TEAM – SAN JACINTO, HOUSTON

At the request of R6 Remedial, the EPA R6 & ERT Dive Teams oversaw Responsible Party cap inspection activities at San Jacinto on Wednesday and Thursday. On Thursday, more than one 'area of interest' was identified. The R6 Dive Team will continue to monitor inspection activities and identify areas of interest until estimated completion on Sunday/Monday.

The Dive Teams are expected to begin underwater cap inspection as early as Monday afternoon. Coordination between Dive Teams, Remedial and the Responsible Party continue. Final scope of work and timing have not yet been determined.

Participating Dive Team members:

ERT – Alan Humphrey – Interim R6 Unit Dive Officer  
ERT – Scott Grossman – Dive Master  
R6 – Ashley Howard – Scientific Diver  
R6 – John Penland – Scientific Diver  
ERT – Dave Adams – Scientific Diver

#### FOLLOWING INFO NOT TO BE INCLUDED IN SITREP:

R6 – Valmichael Leos is interested in participating but currently headed to Houston to work under Warren Z.

R6 – Nick Gannon not available to participate at this time.

R6 – Brandi Todd – R6 Unit Dive Officer, is coordinating project but will not be available to participate on site.

Hey Megan – Was this from Katrina's update? Do we know how many more?

- EPA Remedial Project Manager and the EPA Region 6 Dive Team are on-site and overseeing the assessment at San Jacinto Waste Pits Superfund site. Yesterday, **more than one area of interest was identified**. The Region 6 Dive Team will continue to monitor activities and identify areas of interest until estimated completion on 9/11. The Dive Teams are expected to begin underwater cap inspection as early as the afternoon of 9/11.
